RE: 2006 Cal Ripken Baseball/Softball Sponsorship Request

We would like to take this opportunity to ask you for your participation in a great community service organization by sponsoring our Cal Ripken Program for 2006. The program had a very successful program in 2005 and is looking forward to having back the nearly 600 players from Jackson County again to continue to grow in 2006. We had several All-Star teams participate in State Tournaments and are proud of our 11-year old boy's team that placed 1st at the Southern Oregon State Tournament, and proceeded to the Northwest Regional.

Approximately 600 children participate on over 35 teams in our program, which includes Eagle Point, White City, Shady Cove, Elk Trail, Butte Falls, Central Point, Phoenix/Talent, and Prospect School Districts. Our charter actually covers all children in Jackson County. The league is totally responsible for the operational costs of rostering all of these teams and as such considers it a small business venture. The players both boys and girls practice for three (3) weeks playing between 15-25 games per year, and have the opportunity to play in all-star tournaments. In addition, they receive full uniforms including: pro-logo jersey, hat, pants, socks, and league participation metal.

The follow is a list of sponsorship types for you to choose one or all four:

Team Sponsorship: The team s sponsorship puts the name of your business on the back of one entire team's jersey for this 2006 season; you will also receive a plaque with the team picture thanking your business for the sponsorship. Your cost is \$300.00 per team.

Field Sponsorship: The field sponsorship offers your company's name displayed on outfield fences of the complex from March through August, with all to see. Our fields located off HWY 140 hold: regular season practices and games, Senior Adult Softball practices, games and tournaments, All-Stars and other tournaments that go on throughout our season that your sign will be seen. A local company will professionally make your sign. 2'X4' Sign – Your cost \$300.00 or 4'X8' Sign – Your cost \$400.00. Please enclose a business card for customization of your sign.

Big League Sponsorship: The Big League Sponsorship is our best package price, you receive both the benefits of the team and 2'X4' sign field sponsorship plus your business name advertised in our All-Star Tournament Program. Your cost \$500.00

MVP Sponsorship: The Big League Sponsorship is our best package price, you receive both the benefits of the team and 4'X8' sign field sponsorship plus your business name advertised in our All-Star Tournament Program. Your cost \$700.00

Again we thank you for your trust and involvement last season. We look forward to everyone coming back and making our 2006 season even better!

Sincerely

Upper Rogue Cal Ripken Board Members
